

Rat-Out™ Gel

**Deters rats, mice, rodents, gophers,
raccoons, squirrels and small mammals.**

Repel with Garlic and White Pepper

ACTIVE INGREDIENTS Garlic Oil 0.50%, White Pepper 0.30%

Other Ingredients Mineral Oil, Silica 99.20%

APPLICATION INSTRUCTIONS

Rat Out Gel is a blocking or redirection agent. Small dime-sized deposits applied in or near holes, cracks, crevices, seams, and on beams or pipes will prevent labeled pests from accessing those areas. Wires or cables can also be protected from gnawing rodents. Apply out of the reach of children. Re-apply as necessary. Use only as directed.

FIFRA 25(b)

This product has not been registered by the U.S. Environmental Protection Agency. Pest Barrier represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA 25(b)).

PRECAUTIONS

Harmful if absorbed through skin. Causes eye irritation. Avoid contact with eyes, skin, and clothing. Wash thoroughly with soap and warm water after handling and before eating. Store in a cool, dry, secure area. Keep out of reach of children. Do not store with food, water or feed. Wear gloves and eye protection during application.
